Now at this day comes the Plaintiffs by their attorney and file their petition verified by affidavit, alleging among other things that the defendants, Frank Mock, Henry Douglas, Ruth Douglas, Edwin Douglas, Helen Hargrave, Laura Cary and Mamie Douglas are non-residents of the state of Missouri; Whereupon it is ordered by the Clerk of said Court in vacation as follows: To the said Defendants, Frank Mock, Henry Douglas, Edwin Douglas, Helen Hargrave, Laura Cary, Ruth Douglas and Mamie Douglas, you are hereby notified that the plaintiffs have commenced a suit against you in this Court, the object and general nature of which is to try, ascertain and determine the estate, title and interest of said plaintiffs and defendants herein respectively, in and to the following described real estate situate in Lafayette County, Missouri, to-wit: a part of the Northwest quarter of the Northeast quarter of section 16, Township 48, Range 25, described as follows: beginning at the Northwest corner of said Northwest quarter of the Northwest quarter of said section 16, Township 48, Range 25, thence South to the Southwest corner of said quarter quarter section, thence in a north easterly direction to a point 40 rods due west of the Northeast corner of said Northwest quarter of the Northeast quarter, thence west to place of beginning. And in which said petition plaintiffs allege, that they own, hold title to and are in possession of the aforesaid described real estate, that they are the sole heirs of Uriah Farrell, deceased, who died intestate seized and possessed of said tract of land, that the title thereto emanated from the United States government, to the State of Missouri, by the act of Admission granting school land, more than eighty years ago, that prior to the year 1854 said tract of land was, by order of the County Court, sold to Franklin Mock, and a patent was issued to him by the State of Missouri, that in the life time of said Franklin Mock, to-wit, August 30th, 1871, possession was taken of said land by Uriah Farrell, under whom plaintiffs claim title, and that the said Uriah Farrell and those claiming under him, including these plaintiffs, have ever since had the actual, continuous, open, adverse, peaceful, and lawful possession of the same, claiming title thereto. That the said Franklin Mock, died intestate in the year 1873, leaving Sarah E. Mock, his widow, who has since died, David H. Mock, William Mock, Ann M. Jones, Mary E. Dobson, Frank Mock, Edwin Mock, Sarah Chinn, and Harriet V. Douglas, his children, his only heirs at law, that Harriet V. Douglas, departed this life intestate in the year 1915, leaving Henry Douglas, her widower, and her children, Jay Douglas, Ruth Douglas, Edwin Douglas, Helen Hargrave, Laura Cary and Mamie Douglas, her only heirs at law. That the said Franklin Mock having never conveyed said tract of land, as appears of record, the title thereto formerly vested in him, appears of record to be in his heirs, and by reason thereof they are interested in the subject matter of this petition; that the said Augustine F. Alexander has not, nor has any person claiming, or who might claim said land under him, been in possession thereof, for more than thirty-one consecutive years, nor has said Augustine F. Alexander, nor his heirs, nor any person, claiming or who might claim the same under him paid any taxes upon said land, or any part thereof during all those periods of time, nor has any such person at any time brought any action to recover the same, and that the defendants, said unknown heirs of Augustine F. Alexander, deceased, and their consorts, derive their title by descent from the said Augustine F. Alexander, deceased, and are barred from all title thereto by limitation; that plaintiffs cannot insert the names of said heirs nor of their consorts in the petition because the same are unknown to the plaintiffs and they, after due effort, have been unable to ascertain such names, and pray for a decree vesting the title to said land in plaintiffs and divesting your apparent title of record from you; and that unless you, the said unknown heirs of Augustine F. Alexander, deceased, and their consorts be and appear at this court at the next term thereof, to be begun and held at the Court House in the City of Lexington, in said County, on the 9th day of October, 1916, next and on or before said day answer or plead to the petition in said cause, the same will be taken as confessed, and judgment will be rendered accordingly.

And it is further ordered by the Clerk, that unless the defendants, Frank Mock, Henry Douglas, Jay Douglas, Ruth Douglas, Edwin Douglas, Helen Hargrave, Laura Cary and Mamie Douglas be and appear at this Court at the next term thereof, to be begun and held at the Court House in the City of Lexington, in said County of Lafayette, and State of Missouri, on the 9th day of October, 1916, next and on or before said day answer or plead to the petition in said cause, the same will be taken as confessed, and judgment will be rendered accordingly.

And it is further ordered that a copy hereof, be published according to law in the Lexington Intelligencer, a Newspaper published in said County of Lafayette, for four weeks successively, published at least once a week, the last insertion to be at least fifteen days before the first day of said next October, 1916, term of this Court.

MEALS FOR 14½ CENTS AT THE UNIVERSITY

Cost of Living Reduced by the Commons Where Students Are Own Waiters.

The commons furnishes one way in which the University of Missouri helps students to reduce expenses. The Commons is a dining club for both men and women, and is under University management. The average price of a meal there is 14½ cents, approximately \$3 a week. The prices of individual foods are almost at cost. For instance, steak, pork and most kinds of meat are 10 cents a plate; vegetables are 2 and 3 cents; coffee, tea, and milk are 3 cents; bread, biscuits or corn bread and butter are 2 cents; salads are 5 cents; and dessert is 3 to 5 cents.

The food is of good quality and well cooked. As much variety as possible is given.

Cost is greatly reduced by using the cafeteria system, in which food is placed on the counter in individual dishes, and the diner helps himself, collecting his dishes in a tray and carrying them to a table. Also the profits are almost eliminated, the University desiring only to meet expenses and allow enough for necessary repairs and additions.

It is estimated that 500 students eat at the Commons regularly, also a number of faculty members and townspeople. It is open to the public; there are no regular members. The Commons is in Lathrop Hall on the University campus.

Besides reducing the cost of living, the Commons also furnishes employment for several students. All the work in the dining room is done by student help.

The Commons is now being repaired and overhauled, and arrangements being made for more efficient service in preparation for the regular school session.

In order for a ration to be balanced it should contain elements which would make an equal number of yolks, whites and shells.

The following table shows some of the common poultry foods and their value per 100 pounds, in terms of yolks and whites. The shells are not given for an abundant supply of crushed lime rock or oyster shell should be supplied at all times.
